

# BIRTHDAY PARTIES

## When?

**AGES 4 AND UP!**

Each Saturday we will offer a wide variety of Premium and Signature time slots every 20 minutes starting at 11:00AM to 6:00PM.

## How long?

Our birthday parties are two hours of nonstop action! Kids rotate through the gym tackling exciting games and a variety of fun obstacles. With 27,000 sq ft of ninja challenges—including 13 warped walls—we're the largest ninja gym in Houston. A lead instructor guides the group for 90 minutes, keeping the energy high and making sure every child is having a blast. Your birthday star will feel like absolute royalty! The final 30 minutes are spent celebrating in your private party room with cake and presents.

## What does Cypress Academy Provide?

Every birthday child receives a **BEST BIRTHDAY EVER** shirt, CA Ninja style! We also provide tables with seating, coach(es), the facility, and a great time! You can bring anything you would like such as food, decorations, refreshments, and paper goods.

## How early should I book my Birthday Party?

On average, a party needs to be booked 4-8 weeks in advance. If you are in need of a very specific day and time, we recommend 8-12 weeks in advance. If you are looking to book a last-minute party, give us a call! We might have an open spot or be able to add a party at 6:20pm or later!

## What is the cost?

Our party packages include up to 15 children. If you plan to host more than 15, no problem, Each additional guest is just \$20 and will be finalized at the end of the party. Pricing also varies based on the time slot you select. We offer premium time slots in our four party slots, 11:00am – 12:00pm, and these spots include full access to your party room starting 15 minutes before the party. Signature time slots are available throughout the rest of the day, 12:20pm-6:00pm, and you will receive access to your party room one hour into the party time.
